

C172 17" CCTV Entry Level LCD Monitor

Edge10 have redesigned their CCTV range and come up with two solutions which are ideal for the security monitor market. The C172 offers the user an affordable display for their CCTV system. The monitor includes single S-video and BNC video inputs making the entry level monitor an ideal solution for any security installation. As with all Edge10 monitors the C172 comes with our 3 year on site warranty.
