

T171b 17" Multimedia Toughened Glass TFT LCD Monitor

The hard glass T series range of LCD Monitors from Edge10 is designed for any environment. As well as the obvious advantage of protecting the LCD panel the special glass improves the visual experience to the user by raising the colour intensity and enhancing the sharpness of the image. The monitor is ideal for wall mounting with VESA 75 or 100 compliance and coupled with the anti glare glass makes this the perfect monitor for professional installations. Yet this is a monitor which looks equally at home in the home.

- KEY FEATURES**
- TOUGHENED GLASS
 - IDEAL FOR WALL MOUNTING
 - INTERNAL POWER SUPPLY
 - MULTIMEDIA
