

T223 The Ultimate 22" Wide Hard Glass Monitor From Edge10

The T223 is a 22" hard glass LCD monitor from Edge10 designed specifically for Education. The widescreen is big enough to accommodate two office documents side by side, and includes a toughened optical glass screen which not only protects the screen but also offers improved visual performance with brighter colours and sharper contrast. With DVI, integrated multimedia speakers and a beautiful glossy black appearance - this monitor comes with all the extras. This is one slim monitor which performs as well as it looks. Backed by our industry leading three year on-site exchange warranty.
