

W193 19" The Best Value Fully Featured Monitor From Edge10

The W193 from Edge10 is a 19" wide aspect ratio LCD monitor, ideal for home and office use. This monitor is certainly the ultimate value in widescreen monitors with an ultra fast response time, high resolution and DVI connection. The high contrast ratio means this monitor is ideal for graphic design and standard office applications, without compromising functionality for online video viewing and delighting hardcore gamers. Like all Edge10 monitors the W193 has integrated stereo speakers and comes backed by our industry leading three year on-site exchange warranty.
