

W194C 18.5" The Best Value Fully Featured True Widescreen Monitor From Edge10

The W194C from Edge10 is a 18.5" wide 16:9 aspect ratio LCD monitor, ideal for home and office use. This monitor is certainly the ultimate value in widescreen monitors with an ultra fast response time and high resolution. The high contrast ratio means this monitor is ideal for graphic design and standard office applications, without compromising functionality for online video viewing and delighting hardcore gamers. Like all Edge10 monitors the W194C comes backed by our industry leading three year on-site exchange warranty.
